

Energy and Water Solutions in sub-Saharan Africa

Conference Program

1. CONFERENCE DAY | 16. OCTOBER 2014

Renewable energies and water access in rural areas of developing countries – approaches, challenges, solutions

bora Resort | Radolfzell at Lake Constance, Germany

8.45 – 9.00	Registration
9.00 – 9.30	Welcome and introduction <i>Udo Gattenlöhner, Global Nature Fund, Germany</i> <i>Moderator of the day: Jörg Dürr-Pucher, Clean Energy, Germany</i>
9.30 – 10.15	Keynote presentations Decentralised solutions for renewable energies and water in developing countries <i>Julia Terrapon-Pfaff, Wuppertal Institute, Germany</i> The Water-Energy Hubs as a model project <i>Mary Nduiga, Light for Life, Kenya</i> <i>with an introduction of Christine Janezic, Siemens Stiftung, Germany</i>
10.15 – 11.00	Panel discussion with: <i>- Agnes Kithikii, CAFOD, Kenya</i> <i>- Thomas Rieger, Solarkiosk GmbH, Germany</i> <i>- Paul Ngwé Mbeleg, ISC Konstanz & SLAK Project Cameroon</i> <i>- Gerhard Mair, Osram AG, Germany</i>
11.00 – 11.30	Coffee break
11.30 – 12.45	Presentations, with Q&A: <i>Narrative by Thomas Kalytta, World Vision Germany</i> Modern development cooperation between Europe and Africa <i>Murefu Barasa, EED Advisory, Kenya</i> Socio-economic aspects of decentralised water projects in Africa <i>Prof. Dr. Matthias Friedle, University Rottenburg, Germany</i> Rural sustainable energy development in Zimbabwe <i>Lynnette Tshabangu, Oxfam, Zimbabwe</i>
12.45 – 14.00	Lunch

Energy and Water Solutions in sub-Saharan Africa

Conference Program

14.00 – 16.30	PARALLEL WORKSHOPS Workshop I: Renewable energies in Africa – Opportunities and challenges <i>Moderator: Udo Gattenlöhner, Global Nature Fund, Germany</i> <i>Stimulating presentations: Paul Ngwé Mbeleg, ISC Konstanz & SLAK Project Cameroon, & Oscar Ominde, Osram, Kenya</i> Workshop II: Decentralized water and energy solutions in Africa - Technology, training and social entrepreneurship <i>Moderator: Christine Koptisch, Siemens Stiftung, Germany</i> <i>Stimulating presentations: Emmanuel Nshimirimana, Biraturaba, Burundi & Jonathan Njerere, Oxfam Zimbabwe</i> Workshop III: Energy kiosks in Africa - Socio-economic aspects, lessons learned and winning strategies <i>Moderator: Katharina Trump, Global Nature Fund, Germany</i> <i>Stimulating presentations: Judith Hartl, endeva, Germany & Mary Nduiga, Light for Life, Kenya</i>
16.30 – 17.00	Coffee break
17.00 – 18.00	Presentation of workshop results, discussion, wrap-up
19.30	Dinner & get together

2nd CONFERENCE DAY | 17. OCTOBER 2014

Renewable energies in Germany – Field trip and exchange

Radolfzell at Lake Constance, Germany

	Field trip
8.45	Departure
9.00 – 15.00	Guided tour with Solar Complex (Mrs Gaukler): <ul style="list-style-type: none">- Visit of the Solar Park Rickelshausen- Guided tour to the self-sufficient bio-energy village Mauenheim, comprising biogas plant, wood chip furnace, photovoltaic plant & local heating system- Lunch break in the historical Restaurant Kranz in Liggeringen- Decentralized energy concept of the bio-energy village Möggingen (Mrs. Rose, Stadtwerke Radolfzell)
15.00	Wrap-up & farewell in the bora Resort, Radolfzell
